

The Joy of Winning

Hi All – I have an update for you!

On September 10, 2019, we held the draws of the 2019 edition of our 77th Sweepstakes, which completes our draws for the 77th National Sweepstakes. Let me introduce to you our new winners and their happy stories!

Marisa Orsini, Administrator
Reader's Digest Sweepstakes and Contests

Marisa Orsini, Prize Administrator, giving away to Dorothy and John Alai (Calgary, Alberta) the \$100,000.00 Super Grand Prize + the \$15,000.00 Winner's Bonus cheque because they replied early!

For Dorothy and John Alai, winning the Super Grand Prize brought them the peace of mind they were looking for. The happy couple plan to put their winnings to good use by paying off their credit card and children's student debts; and help with much needed charitable work locally and overseas in John's hometown in Kenya. Such a win is definitely something to toast!

*"... It feels so good
to be debt free!"*

As Administrator of Sweepstakes and Contests, the best part of my job is when I show up at the winner's home with a big cheque. I particularly appreciated John and Dorothy's welcoming smiles and warm personalities. We enjoyed a nice celebratory meal together.
